

AEA India Conclave 2026

Architecting Intelligent Business Ecosystems

A Quantum Leap into the Next Era of Enterprise

Partner with India's Premier Enterprise Architecture Forum

Showcase your leadership in Digital Transformation, AI, and Sustainable Enterprise
Architecture

Pre-Conference Workshops: 25 September 2026 | Main Conclave: 26 September 2026

**Hosted in Hyderabad – A Vibrant Hub for GCCs, Pharma, Life Sciences & Biotech, Defense
Research and Manufacturing**

Significance of the Event

The AEA India Conclave 2026 is the 4th edition of India's flagship Enterprise Architecture gathering, building on successful conclaves held in Kochi 2019, New Delhi 2024, and Mumbai 2025.

This strategic forum is expected to bring together over 150 senior Enterprise Architects, CXOs, Strategy Leaders, and Digital Transformation executives from India's most innovative organizations.

The conclave serves as a practitioner-led platform where real-world experiences, proven approaches, and forward-looking frameworks are shared to shape the next decade of enterprise transformation.

The host city Hyderabad is a dynamic industry and technology hub that is home to Microsoft India, hundreds of Global Capability Centres (GCCs), a thriving Life Sciences, Pharma, Biotech and Medical Devices ecosystem, as well as Advanced Engineering, Aerospace, Defence, Precision Engineering, Industrial Manufacturing, ESDM, Automation and many other sectors that form a vibrant research–industry ecosystem.

AEA India is the India chapter of AEA Global, comprising one of the world's largest communities of TOGAF-certified professionals. The Conclave serves as a platform for structured dialogue, knowledge-sharing, and capability-driven planning to enable scalable, interoperable, and future-ready enterprise ecosystems aligned with India's digital growth agenda.

4th Edition

India's flagship practitioner-led Enterprise Architecture conclave.

150+ Senior Delegates

Enterprise Architects, CXOs and Strategy Leaders from leading organizations.

2 Days of Engagement

Workshops, plenaries, panels, and networking for deep, outcome-focused conversations.

Multi-Industry Coverage

BFSI, GCCs, Manufacturing, Life Sciences, Public Sector, Startups and more.

What Attendees Experience

Industry futurists and seasoned practitioners lead dynamic discussions, hands-on sessions, and high-value networking designed to translate strategy into executable architecture and tangible business outcomes.

Keynote Sessions

Strategic insights from industry leaders and global thought leaders on emerging trends shaping enterprise architecture.

Expert Panel Discussions

Moderated conversations featuring diverse perspectives on the industry's most pressing challenges and opportunities.

Structured Networking

Connect with peers, mentors, and decision-makers during scheduled mixers and throughout the exhibition.

Pre-Conference Workshops

Deep-dive technical and soft-skills sessions on 25 September 2026 to sharpen modern EA practices.

Vendor Exhibition

Dedicated showcase hall for EA tools, technologies, and services with live demonstrations.

Real-World Use Cases

Hands-on workshops, case studies and a "Voice of Architects" working session focused on solving real-life problems of participating organizations.

Conclave Themes

The 2026 edition is anchored around **Architecting Intelligent Business Ecosystems – A Quantum Leap into the Next Era of Enterprise**. The content spans the full lifecycle from strategic planning to resilient execution.

Building an AI-empowered, future-ready workforce

Building and nurturing scalable, adaptive enterprises to accelerate AI-powered transformations.

Trusted, compliant, and scalable data foundation for AI

Enabling a governed, interoperable data estate to accelerate AI innovation with trust and resilience.

Navigating the Process Odyssey

AI-accelerated business transformation and value realization through AI-first enterprise models.

Enterprise Operating Models

Designing and implementing operating models for resilient and sustainable growth.

Intelligent Enterprise Foundations

Modern, AI-first architecture supported by insights, guardrails and governance.

Ecosystem-ready Technology Platforms

Future-proof digital backbone for interoperability, scale and innovation with partners and ecosystems.

Why Partner with AEA India Conclave?

Thought Leadership Visibility

Position your brand as a trusted advisor in enterprise architecture and digital transformation.

Access to Decision-Makers

Engage directly with CXOs, Strategy Leaders and Enterprise Architects from leading organizations.

Platform Credibility

Leverage AEA India’s standing as a premier practitioner-led EA community.

Brand Exposure

Gain visibility before enterprises, government bodies and technology leaders shaping India’s digital future.

Lead Generation

Connect with qualified prospects driving transformation, modernization and AI adoption initiatives.

Demonstration Opportunities

Showcase your products, platforms and services to an engaged, architecture-savvy audience.

Sponsorship Model

- Non-Exclusive Model:** The conclave follows a non-exclusive sponsorship structure, allowing participation from multiple partners across industries and solution domains.
- Title Sponsorship Exception:** Title Sponsorship is offered as a singular recognition tier, providing exclusive naming rights and the highest level of visibility to one partner.
- Balanced Visibility:** All packages are designed to ensure meaningful engagement and balanced visibility for each sponsoring partner.

Glimpses of AEA India Conclave 2024 & 2025

3rd AEA India Conclave – September 2025, Mumbai

Themed “EA & AI – A Co-Evolution for Intelligent Enterprise Transformation”, the 2025 conclave brought together industry leaders to explore how forward-thinking organizations leverage synergies between enterprise architecture and AI for self-optimizing enterprises.

Sponsors: BizzDesign, SAP LeanIX, erpOI AB **Partners:** The Open Group, CSI Mumbai Chapter

Plenary and networking at the AEA India Conclave 2025.

Poster Challenge and “Voice of Architects” breakout sessions showcasing real-life problems and EA tools/techniques to address common industry challenges.

Industry perspectives on Enterprise Architecture and AI convened under the theme “Catalyst for Intelligent, Resilient, and Ethical Value Creation”, highlighting pathways to resilience, ethical innovation and adaptive intelligence.

The “Voice of Architects” activity enabled participants to submit and defend ideas live, with digital submissions and automated shortlisting, making delegates co-creators in shaping EA perspectives.

2nd AEA India Conclave – July 2024, New Delhi

Co-organized with The Open Group India Conference, the 2024 conclave brought together about 150 enterprise architects from across the globe, featuring keynote addresses, panel discussions and the interactive “Voice of an Architect” session.

Keynote and plenary discussions at the 2nd AEA India Conclave 2024.

Members engaged in networking and capturing digital memories.

AEA India members aligning on vision, roadmap and community-building initiatives to support nation-building.

These conclaves reinforced the value of in-person gatherings for strengthening connections, celebrating community achievements and inspiring more such practitioner-led events.
